Re: *Sacerdote, et al. v. New York University*, Case No. 16-cv-06284-KBF (S.D.N.Y.)

**LETTER FROM NON-PARTY TIAA REGARDING THE POTENTIAL
UNSEALING OF SUMMARY JUDGMENT FILINGS**

To the Honorable Katherine B. Forrest:

Non-party Teachers Insurance and Annuity Association of America (“TIAA”) submits this letter in response to the Court’s March 13, 2018 Order [ECF No. 195] (the “Order”). We understand that the parties intend to submit separately a joint status report regarding their efforts to share unsealed information with TIAA in compliance with the Order.

* * * *

The Court’s Order directed the parties to meet and confer with TIAA about the potential unsealing of Confidential TIAA documents and testimony included by the parties in their summary judgment briefing and supporting papers. The Court also “suggest[ed] that the plaintiffs and defendant show TIAA a copy of the materials that does not redact TIAA’s information”, so that TIAA could review the materials and assess whether they should continue to be sealed as confidential and proprietary business information.

On March 13, TIAA conferred with Plaintiffs regarding references to TIAA’s documents and testimony designated as Confidential and which are cited in Plaintiffs’ Memorandum in Opposition to Defendant’s Motion for Summary Judgment and Response to Defendant’s Rule 56.1 Statement and Counterstatement of Undisputed Material Facts [ECF Nos. 162 & 163], as well as Plaintiffs’ expert reports.¹ Defendant and Vanguard joined this call. Plaintiffs provided TIAA with these materials without redaction of the Confidential TIAA information. TIAA has reviewed the materials and does not oppose Columbia’s Motion to Intervene and to Unseal Documents [ECF No. 178] with respect to the unredacted Confidential TIAA information. The

specific portions of unredacted materials provided to TIAA by Plaintiffs are detailed in Appendix A. Some of the materials include account statements and other documents regarding the Named Plaintiffs, and we understand that Plaintiffs will separately inform the Court that such materials should remain under seal or redacted in part, as set forth in their response to Columbia's motion [ECF No. 187].

On March 13, TIAA also conferred with Defendant about references to TIAA's documents and testimony designated as Confidential and which are cited in Defendant's Memorandum of Law in Support of Its Motion for Summary Judgment and Local Rule 56.1 Statement of Undisputed Material Facts [ECF Nos. 132 & 133]. Defendant provided TIAA with these materials without redaction of the Confidential TIAA information. TIAA has reviewed the materials and does not oppose Columbia's Motion to Intervene and to Unseal Documents [ECF No. 178] with respect to the unredacted Confidential TIAA information. The specific portions of unredacted materials provided to TIAA by Defendant are detailed in Appendix B. Defendant has not provided TIAA with expert reports, but confirmed that the documents and testimony designated by TIAA as Confidential and cited in those materials appear in Appendix B.

Respectfully submitted,

Lori A. Martin
